## **Karen Hammarstrand & Friends**

Come to beautiful Ralph Connor House for an evening of live '60's & '70's folk music in a Winnipeg heritage home. We are delighted to welcome Winnipeg-based musician **Karen Hammarstrand** with the **Talented Mist**ers, **David Epp** on guitar and **Jason Munroe** on upright bass. Karen's music will also include original compositions reminiscent of '60's folk with jazz and blues leanings.
