Welcome to our new public newsletter!

The University Women's Club of Winnipeg has so many things happening at Ralph Connor House that we thought we should share a little bit of that with everyone. Our monthly **Highlights from the Bulletin** will offer a glimpse into the goings on with the club. Club members may access the full BULLETIN for more information

President's Message (excerpts from the Bulletin)

You may notice as you enter the House is the Board motion regarding vaccinations against the COVID 19 that has been haunting us this past couple of years. All persons entering the house, including all tradespeople, must be double-vaxxed and wear a mask while in the house. It is only while eating that the mask is removed. Everyone must comply for the safety of all. As a result of all of our efforts, the Club is up and running and as safe a place as can be.

Christmas Market at 54 West Gate

Christmas Market Goes Online!

FRIENDS OF RALPH CONNOR HOUSE

Fall Maintenance

We continue with fall maintenance to our beautiful Heritage Building. Repairs are being done to the Butler's Pantry, and the steps by the ramp which keeps our house wheelchair accessible. The two granite steps in the foyer are next on what seems to be a never-ending list, but we'll take the maintenance one step at a time!
