# President's Message (excerpts from the Bulletin)

You may notice as you enter the House that the stone step has been repaired, the screen door has been removed, and the windows have their winter coverings. A very busy group of members brought out the traditional Christmas decorations and have given the house its festive appearance. The Club will close from end of day December 17th and reopen January 4th. If you would like to host a celebration during that time please contact Ali at uwcevents@mymts.net.

Enjoy the season! Take care of yourselves! See you next year!

#### SHOEBOX PROJECT

The Current Issues & Actions group is continuing the club holiday tradition of providing a gift for women who find themselves in difficult circumstances. In the past, they have filled standard-sized decorated shoeboxes with approximately \$50 worth of gifts and essentials that any woman might enjoy, and included a warm greeting or message of support. Shoebox volunteers distributed these gifts to local women's shelters and community agencies. This year, in response to COVID, Shoebox donations will be virtual. Anyone wishing to contribute can visit <a href="https://shoeboxproject.kindful/?campaign=1149998">https://shoeboxproject.kindful/?campaign=1149998</a> to donate or can send a cheque to The Shoebox Project for Women c/o 616 Hethrington Ave, Wpg, MB, R3L 2T5. A tax receipt will be issued for donations over \$20.

#### 16 DAYS OF ACTIVISM

#### Canadian Federation of University Women

The 16 Days of Activism (Nov. 25th to Dec 10th) is an international campaign set to generate actions that will put an end to gendered violence against women and girls. As part of the 16 Days of Activism campaign, CFUW is holding a webinar on Thursday, December 9th at 12pm about the issue of sexual violence in post-secondary settings in Canada. We will be broadcasting this event at 54 West Gate and all are welcome to join.

#### **CALENDAR COLLECTION**

It's that time of year again when calendars start appearing in our mailboxes. What do you do with yours? If you find yourself with more calendars than you'll be able to use, please consider bringing them to the **University Women's Club at 54 West Gate** and we'll make sure they go to good use. Last year donated calendars were divided between **Deer Lodge Centre** and

to 54 West Gate anytime until January 6th.

**Misericordia Hospital**. The calendars brighten up patients' rooms, but they do even more than that - the calendars play an important role in helping residents maintain cognitive abilities by providing a 'reality orientation' with respect to the passage of the days and seasons. **Support this great initiative by bringing your extra 2022 calendars**
