

# THE SCHOLARSHIP TRUST FUND

**Advancing Education  
since 1909**

**UNIVERSITY  
WOMEN'S  
CLUB**

Historically, the University Women's Club of Winnipeg has prioritized scholarships. The Club, founded in 1909, has made contributions since 1914 to women desiring "higher" education. Later, funds were given directly to deserving female scholars, unable to complete or continue their education without financial support.

For many years now both women and men have been eligible for all awards. Enquiries regarding specific awards should be directed to the universities' and colleges' award offices and the eligible performing arts organizations.

The Scholarship Trust Fund is independent from the Club. Its investments are administered by CIBC Wood Gundy. Funds are sourced from the following:

- Club members' donations
- "In Memoriam" donations
- Revenue from the Trust Fund's investments
- Monies from a Paperback Library

\*Administered by the University of Manitoba Foundation

\*\*Administered by the Winnipeg Foundation

Universities and professional schools are stressed by profound changes in the methods of delivering education and by budget constraints. In a short time, traditional modes of learning, honed over centuries, have given way to advanced educational technologies. Scholarships are even more valuable to students as the costs of post-secondary education have risen more quickly than other expenses. The arts and cultural communities also continue to function under financial constraints.

The Scholarship Trust Fund is a registered charity under Canada Revenue Agency (#806081790RR0001). Donations to the Fund are eligible in full for income tax receipts.

The Scholarship Trust Fund provides awards offices of the University of Manitoba, the University of Winnipeg, l'Université de St. Boniface, Canadian Mennonite University, Red River College Polytech, and three performing arts organizations with funds, and they choose the recipients for the awards.

Once each year, in the fall, the Fund Trustees plan a public scholarship Celebration event. This event highlights the various scholarships and may feature one or more scholarship recipients, advertise the purpose of the Fund, solicit donations and thank Club members for their continued support. Shortly before this event, a financial statement is mailed to all members and at the event the Chair, or her delegate, makes her report to the members present.
